**Subject: Prevention of Significant Deterioration (PSD) Permit Application,  
Cabrillo Deepwater Port Project**

Dear Mr. Rios:

Per your request of January 29, 2004, and on the behalf of BHP Billiton LNG International Inc. (BHBP), ENTRIX is submitting the enclosed electronic copy of the application for our proposed Cabrillo Deepwater Port, a Floating, Storage, and Re-gasification Unit (FSRU) off the coast of Ventura County in Southern California.

Should you have any questions concerning this PSD permit application submittal, you can contact me at (805) 477-5007.

Sincerely yours,
